Dear Interested People,

Clallam County Health and Human Services (Developmental Disabilities Section) with the support of the Developmental Disabilities Advisory Committee (DDAC), continually develops strategies to improve services for people with developmental disabilities and their families. Partnering with the community to share what's working and what needs work has been instrumental in identifying current and ongoing community needs.

Clallam County H&HS would like to invite those interested to take part in a quick survey. The data we collect will assist us to plan for ways to improve and streamline community services. Your input is valued and will become a part of how services are moved forward in Clallam County for people with developmental disabilities, their families and the people who work with them.

To access the online questionnaire, please copy the following link and past in to your browser address bar or hit the Ctrl button and click on the link. There are 10 questions. When you are finished, just click on the "Done" button. If you would like help with the survey, please contact Nancy Wiltshire, (360) 417-2407 or send an email to nwiltshire@co.clallam.wa.us
