

START NOTIFICATIONS

Call 360-417-2506 or email EnviroHealth@co.clallam.wa.us a minimum of 24 hours prior to installation

Leave the following information:

- Your name and name of company
- Name of Owner on the permit or address of location
- Septic Permit Number (SEP)*
- Designer
- Type of System
- When you will start (date and time)

****Never start a job with only the preliminary plans. You must have the signed, approved septic permit. Check lower left for signature, date approved, expiration date.***

Installers must have the approved septic permit & plans on the site at all times.

INSTALL NOTIFICATIONS

Call 360-417-2506 or email EnviroHealth@co.clallam.wa.us and contact the Septic System Designer once the installation is complete and ready for inspection

Leave the following information:

- Your name
- Name of Owner on the permit or address of location
- Septic Permit Number (SEP)*
- When the system will be ready for inspection if not already

*Please note systems that are partial installations awaiting power or additional components before complete and re-submit the install notification when finished and ready for final inspection.

Installers must be in communication with the system Designer throughout this process.
