

Street Signs and Community Products Catalog

For more than 35 years, NSA has consistently provided cost-effective and community-effective crime prevention materials for use by law enforcement and private citizens in their Neighborhood Watch efforts. NSA makes available a comprehensive array of materials -- perfect for groups in the formative stage, well-established groups, or groups that wish to revitalize their current program.

Five Steps to Starting a Neighborhood Watch

1. **Recruit and organize as many neighbors as possible.**
2. **Contact your local law enforcement agency and schedule a meeting.**
3. **Discuss community concerns and develop an action plan.**
4. **Hold regular meetings and train.**
5. **Implement a phone tree and take action steps.**

Neighborhood Watch Training

Through a grant provided to NSA, training is provided for officers, deputies, and community organizers. The training provides tools to manage, maintain, and establish watch groups. For a schedule of trainings visit www.usaonwatch.org. The training is free!

Guidelines and Procedures for Use of Logos

NSA receives dozens of requests from law enforcement agencies, criminal justice organizations, and community groups who wish to use the Boris® or USAonWatch® logo on their own materials. Please review the following guidelines on the use of the Boris® and USAonWatch® logo. If you wish to apply for permission to use the Boris® or USAonWatch® logo, you should print and complete the application form and submit it to our Quality Review Committee. Submissions should be made via the U.S. Mail, so that examples of your work can accompany your application.

I. Use of Boris® or USAonWatch® Logo

In its role as the owner of the Boris the Burglar® (Boris®) and USAonWatch® logos, the National Sheriffs' Association (NSA) has the legal responsibility to protect its trademark, including all of its various forms and uses.

To maintain the credibility and integrity of the Boris® and USAonWatch® logos as a trademark/service mark, NSA must protect it from any intentional or misguided use. These guidelines do not give presumptive approval for the use of the character and/or name. Individual written, prior approval must be obtained by application to NSA.

NSA will rely on law enforcement officers, deputies, crime prevention practitioners, community organizations and the general public to follow these guidelines as to Boris®'s and USAonWatch®'s usage and to report any misuse or unauthorized use of the Boris® or USAonWatch® logo.

Boris the Burglar® is a national symbol. The Boris® and USAonWatch® logos are a legally protected service mark and trademark which is registered with the U.S. Patent and Trademark Office; and both logos are exclusively held by the National Sheriffs' Association.

II. Conditions for Using Boris the Burglar® or USAonWatch®

The following standards explain and govern the use of the Boris® and USAonWatch® logos, name, marks, and/or slogans:

NSA receives dozens of requests from law enforcement agencies, criminal justice organizations, and community groups who wish to use the Boris® or USAonWatch® logo on their own materials. Please review the following guidelines on the use of the Boris® and USAonWatch® logo. If you wish to

The Boris® and USAonWatch® logos are nationally recognized symbol for NSA's National Neighborhood Watch Program and must be used primarily for educational purposes in the area of crime prevention, neighborhood safety, and other crime-related issues.

Preventing burglaries and other neighborhood crimes through citizen involvement and partnerships with law enforcement is the goal of the Neighborhood Watch concept. Boris the Burglar® represents the threat of burglaries, vandalism, and other neighborhood crimes. This threat is one of the motivating factors for the formation of Neighborhood Watch groups.

The international prohibition symbol used in conjunction with Boris® denotes saying NO to the threat of burglaries, vandalism, and other neighborhood crimes embodied in the character of Boris.

Saying NO to Boris® projects a clear, positive, and constructive message, and represents a commitment to crime prevention.

The message of saying NO to Boris® encourages people to help themselves and others in their neighborhoods by engaging in target hardening and other crime prevention measures.

Saying NO to Boris® portrays a neighborhood's willingness to foster positive relationships with law enforcement, community leaders, and others through the formation of Neighborhood Watch groups.

III. Endorsements

Boris® never endorses any other person, product, program or service, and cannot be used for advertising or commercial purposes, although for-profit companies can publicly support the concept of Neighborhood Watch.

No one may manufacture for sale a product containing or featuring Boris®'s image or name unless the individual or firm is a commercial contracted licensee of NSA or unless a specific written, advance waiver has been provided by NSA.

IV. Obtaining permission on using Boris the Burglar® or USAonWatch

Use of the USAonWatch® logo requires a formal application. The following chart summarizes those uses of Boris the Burglar® that require formal application to be made to NSA. If you are considering using Boris® and your project falls under one of the categories marked "YES," complete and submit a copy of the application form, which can be downloaded at www.sheriffs.org, to the following address:

Quality Review Committee (Boris the Burglar®)
National Sheriffs' Association
1450 Duke Street
Alexandria, VA 22314-3490

If NSA approves your requested use of Boris, a registered trademark, you must honor all terms of the approval. Anyone who receives written permission to use the Boris logo incurs an obligation and fiduciary duty to maintain the integrity and consistency of the character. Use of Boris without approval or in an inappropriate manner may result in legal action.

(Consult the chart below to see if you need prior approval to use Boris the Burglar®)

Note: NSA reserves the sole right to rescind any prior approval of a use if the User is not complying with these guidelines and the conditions for use, if any, set forth in the approval letter. By applying for permission to use Boris, you acknowledge that right, and agree to hold NSA harmless from any liability/damage in your exercise of that right in using Boris the Burglar® and/or USAonWatch®. Approval is limited to one year. Each project may be re-evaluated on an annual basis.

Neighborhood Watch

The National Sheriffs' Association, through the National Neighborhood Watch-USAonWatch program, strives to assist local law enforcement and citizens to create, expand, enhance, and revitalize watch groups in communities across America.

As NSA develops additional resources, publications, and templates for you to use with your watch group, materials will be available for download/printing and general use from the USAonWatch.org website. (Click on Resource Center and then Publication Library)

Current publications that you can find on the web are:

- Neighborhood Watch Introduction Manual
- Vacation Checklist
- Home Security Booklet
- Rural Crime Prevention Brochure
- Pandemic Flu Preparedness Templates
- Sample Meeting Documents
- Observation and Reporting Information
- Success Stories from others

+any of the articles or publications on the USAonWatch website can be used by a group or agency.

Don't forget to register your Watch group on USAonWatch.org!

Why register? When your group registers your local law enforcement agency will be able to see your group under their contact information on the website. Also, your group is counted as being a part of the greater program. NSA does not provide the information to any other group but your local law enforcement agency. Also, as a way to get you started USAon-Watch will send you:

- **FREE** Action Pack with information on meeting tips, program history, and much more.
- **FREE** Bumper Stickers, Decals, and Lapel Pin.
- **FREE** Email Subscription to the Neighborhood Watch Newsletter.

Crime Prevention Patch

The National Sheriffs' Association is offering Crime Prevention Patches to all Sheriff's Offices across the nation. These patches are given to area Boy Scout troops and Explorer Scout programs for their involvement in the crime prevention process.

In recognition of the Boy Scout Crime Prevention Merit Badge and the Crime Prevention Award, the National Sheriffs' Association Crime Prevention Patch can be given to young adults for their participation in law enforcement related issues. The Boy Scouts of America provide a way that law enforcement officers can take part in the Crime Prevention Program and allow youth to learn more about Sheriff's Office functions in the community.

Sheriff Stanley Glanz of Tulsa County, Oklahoma, while chairman of the NSA Crime Prevention Committee, introduced the patch and has been very involved in the Crime Prevention Program. Sheriff Glanz and his deputies have participated in various Crime Prevention activities to involve the youth of Tulsa County. They have a constant relationship with the Boy Scouts, Cub Scouts, and Explorer Scouts. This gives them the opportunity to help young adults learn about different ways to prevent crime, and about law enforcement functions.

The National Sheriffs' Association Patch may be worn by Boy Scouts to indicate that they have worked with the Sheriff's Office toward the goal of obtaining the Crime Prevention Merit Badge or the Crime Prevention Award.

Requirements to obtain a National Sheriffs' Association Crime Prevention Patch:

1. Discuss with your counselor
 - The role of the Sheriff's Office or Police Department in crime prevention.
 - The role of citizens, including youth, in crime prevention.
 - The nature of criminal gangs and their impact.
 - When and how to report criminal activity.
 - The role and value of laws in society.
 - Visit a jail or detention facility. Discuss your experience with your counselor.
2. Complete the requirements for Boy Scouts of America Crime Prevention Award, and then visit the Sheriff's Office to earn your National Sheriffs' Association Crime Prevention Patch.

How to order the National Sheriffs' Association Crime Prevention Patch

Patches are \$2.00 each and are listed on the Neighborhood Watch order form.

If you are interested in becoming more involved with the youth in your community and young adults involved in scouting, please send your order in today.

Addressing crime prevention through families is one of the most effective ways to combat crime. The Crime Prevention Program assists in providing a positive model through personal efforts to work with community and neighborhood groups in their efforts to prevent crime. Visible participation from concerned citizens has a very powerful influence on others.
