FACT POINTS FOR COVID 19 VACCINE RECIPIENTS

The following points are important to note as you consider receiving the COVID 19 vaccine. You are being provided with a detailed factsheet about this vaccine to make an informed decision to **RECEIVE** or **NOT RECEIVE** the immunization. Place take the time needed to review all documents.

- The Vaccine is administered as a 2-dose series, about one month apart and may not protect everyone.
- This is an unapproved vaccine that may prevent COVID 19. There are no approved vaccines at this time, but the vaccine does have an Emergency Use Authorization at this time from the FDA, which allows for its use in persons 12 years and older.
- You should not get the vaccine if you have had a severe allergic reaction to a previous dose of the Vaccine or you have an allergic reaction to one of the ingredients. The ingredient list can be found on page 2 of the detailed information located on the vaccine fact sheet.
- Side effects that have been reported with the vaccine include pain, tenderness and swelling of the lymph nodes in the same arm of the injection, swelling (hardness) and redness as well as other general side effects including fatigue, headache, muscle pain, joint pain, chills nausea, vomiting and fever.
- There is a remote chance the vaccine could cause severe allergic reactions. This usually occurs between a few minutes and an hour after getting the vaccine. Signs of a severe allergic reaction include: difficulty breathing, swelling of the face and throat, a fast heartbeat, a bad rash all over your body and or dizziness and weakness. Other side effects may occur. We will have you wait for 15 minutes after your vaccination with medical help nearby.
- If you experience a severe allergic reaction after you leave, call 9-1-1 or go to the nearest hospital.
- The decision to take this vaccine is your choice.
- If you are pregnant or breastfeeding, discuss with your healthcare provider before getting the vaccine.
- You will be issued a card as proof of your vaccination, and when to expect the follow-up vaccination.

Your signature on this document indicates your understanding of the risks and that you voluntarily assume all responsibility for any reactions that may result from the receipt of the immunization.
